

KEERTHIKA SARAVANAN

Sankari, Salem – 637301

+91 7603939482 ◊ keerthikasaravanan52@gmail.com

CAREER OBJECTIVE

Computer Science Engineering graduate with hands-on experience in software development and machine learning-based academic projects. Seeking an entry-level role where I can apply my technical skills, problem-solving ability, and continuously grow in the IT field.

EDUCATION

Bachelor of Engineering – Computer Science and Engineering 2021 – 2025
Vivekanandha College of Engineering for Women
Salem, Tamil Nadu

PROFESSIONAL EXPERIENCE

Associate Software Developer 3 Months
Scopeyard Solutions, Coimbatore

- Assisted in application development, testing, and debugging.
- Worked on real-time development tasks following industry standards.
- Gained exposure to team-based workflows and project environments.

FINAL YEAR PROJECT

Automated Petition Analysis and Categorization Using Machine Learning

- Built an AI-driven grievance redressal system to automate petition processing.
- Implemented OCR to extract text from image-based petitions.
- Used BERT for accurate petition categorization.
- Applied Random Forest for urgency detection and prioritization.
- Integrated real-time SMS notifications for petition status updates.

Technologies Used: Python, Machine Learning, NLP, BERT, Random Forest, OCR, Flask, MySQL, React.js

TECHNICAL SKILLS

Programming	Python, PHP, JavaScript
Web Technologies	HTML, CSS, Bootstrap
Frameworks	Flask, Laravel (basic), Livewire (basic)
Database	MySQL
Machine Learning	NLP, BERT, Random Forest
Tools	Git (basic), Google Colab

LANGUAGE PROFICIENCY

Japanese Language Proficiency Test (JLPT)

- Appeared for JLPT N5 (Result awaited)

SOFT SKILLS

Analytical thinking • Quick learner • Good communication • Team collaboration
